SUMMARY

- **Software Developer** with one year of experience in creating efficient and scalable software solutions. Proficient in **Java** and **JavaScript**, with a solid grasp of software development life cycle **(SDLC)** methodologies. Quick learner with a passion for staying updated on emerging technologies. Seeking to leverage my skills and enthusiasm to contribute effectively in a challenging software development role.

EXPERIENCE

Software Developer

Freelancing

📅 07/2023 - Present 📍 New Delhi, India

Creating customized software solutions for clients on a freelance basis, encompassing design, development, and implementation, while ensuring high quality, timely delivery.

- Developed and maintained Java-based web applications using **Spring** Framework, **Spring Boot**, and **Hibernate**, ensuring high performance and scalability.
- Designed and implemented **RESTful APIs** following best practices, including versioning, documentation, and authentication mechanisms.
- Utilized **Spring Data JPA** for efficient database interaction and management of complex data models.

Software Engineer Intern

Samsung Electronics Pvt. Ltd.

📅 04/2023 - 06/2023 📍 Noida, India

Designing and developing software solutions to meet business needs in Samsung Electronics through coding, testing, and debugging.

- Developed and maintained microservices-based web applications using **Java, Spring Framework, Spring Boot,** and **Hibernate.**
- Designed and implemented **RESTful APIs** adhering to industry best practices for scalability, security, and maintainability.
- Integrated third-party APIs and services to extend the functionality of applications and streamline processes.
- Actively involved in troubleshooting and resolving production issues to minimize downtime and ensure smooth operation of systems.

B.Tech in Information Technology

Guru Gobind Singh Indraprastha University

📅 08/2019 - 09/2023 📍 New Delhi, India

CGPA
8.53 / 10

Intermediate

Raj Public Inter College - UP Board

📅 04/2018 - 06/2019 📍 Muzaffarnagar, India

Percentage
79 / 100

High School

New Children Public High School - UP Board

📅 04/2016 - 06/2017 📍 Khatauli, India

Percentage
89 / 100

TRAINING / COURSES

Full Stack Java Developer

DSA in Java - Pepcoding

SKILLS

Core Java   Spring   Spring Boot

Hibernate   RESTful APIs   HTML

CSS   JavaScript   React.js   DBMS

MySQL   SDLC   Git

PROJECTS

Library Management Application

📅 10/2023 - 02/2024

🔗 https://github.com/Abhivas96/library_app

1. Developed a **micro-services** based application using **Java** at the backend and **React.js** at the frontend.
2. The application allows users to search for books, read description and reviews of the books, checkout books and give a review on a book.

Employee Management Application

📅 07/2023 - 09/2023

🔗 https://github.com/Abhivas96/crud_app.github.io

1. Developed an Employee Management web application in **Java** using **Spring Boot** and **Hibernate.**
2. This application allows the manager to add or delete an employee, get the list of all employees working or a specific employees in the organization.

ACHIEVEMENTS

🏅 **Leetcode 50 Days Badge 2022 & 2023**

Completed the **LeetCode 50 Days Challenge**, demonstrating proficiency in **algorithmic problem-solving** and **data structures** in **two consecutive years.**

💡 **DSA Problem Solving**

Solved **450+ DSA problems** across all platforms including **Leetcode, Pepcoding, GFG** and **HackerRank.**
